

Events/Significant Meetings Attended

- David Bacigalupo

Selected Events Since the Beginning of my Research Career

- Attending W3C XML Schema 1.0 Working Group meeting at the IBM T.J. Watson Research Centre, 2000
- Presentation on my work at the IBM T.J. Watson Research Centre at the end of my employment, 2000
- Attending UKCMG2002 (UK Computer Measurement Group Annual Conference), Reading, UK
- Attending EuroWeb2002, Oxford, UK
- **Presentation on my work at UKPEW2003 (19th Annual UK Performance Engineering Workshop), University of Warwick, UK, and helping to organise and run the workshop**
- **Invited to submit a paper and hence present my work at SCI2003 (7th World Multiconference on Systemics, Cybernetics and Informatics), Orlando, Florida by Dr. Te-Kai Liu, IBM T.J. Watson Research Centre**
- **Giving a seminar on my work at the School of Electronics and Computer Science, University of Southampton**
- **Presentation on my work at PMEO-PDS2004 (3rd International Workshop on Performance Modelling, Evaluation and Optimization of Parallel and Distributed Systems, 18th IEEE International Parallel and Distributed Processing Symposium IPDPS2004, Santa Fe, New Mexico), presentation on a colleague's work at IPDPS2004 and chairing a session at PMEO-PDS2004**
- **Leading a team organising the 1st Annual University of Warwick Department of Computer Science Research Day (now renamed "The Colloquium" and still continuing on a yearly basis), 2004**
- Invited to attend PASTA2004 (Third Workshop on Process Algebra and Stochastically Timed Activities), National e-Science Centre, Edinburgh, by Dr. Will Knottenbelt, Imperial College
- **Presenting a poster at SuperComputing2004, Pittsburgh, USA**
- **Presentation on my work at PDCN2005 (International Conference on Parallel and Distributed Computing and Networks), Innsbruck, Austria**
- **Presentation on my work at PARCO2005 (Parallel Computing International Conference), Malaga, Spain**
- **Presentation at IPDPS2006 (20th IEEE International Parallel and Distributed Processing Symposium), Rhodes Island, Greece**

All Significant Events from Academic Year 2006/2007 Onwards

- Attending the UK e-Science All Hands Meeting 2006, Nottingham University, September 2006 (3 days).
- Teaching new postgraduate students in the Department of Computer Science how to mark undergraduate work as part of a Training Day, University of Warwick, October 2006
- Invited to be a member of a student/graduated student panel interviewed by a 3-person panel reviewing the Department of Computer Science, University of Warwick, November 2006
- Presentation on my research to researchers from the University of Warwick and the University of Newcastle-Upon-Tyne*, University of Warwick, November 2006
**As part of an e-Science research project meeting organised by myself*
- Presentation on University Contract Research Staff Developments*, University of Warwick, November 2006
**As part of a lunchtime contract research staff event organised by myself*

Note: January 2007 is the beginning of my 'year and a half gap year'

- Attending the Annual Department of Computer Science Colloquium, University of Warwick, July 2008
- **Invited to give a presentation at the UK e-Science All Hands Meeting 2008 as part of Peter Coveney's UCL team, University of Edinburgh, September 2008 (3 days).**
- Attending the "Lifting the Lid" conference in the School of Informatics, University of Edinburgh, November 2008
- **Presenting an hour-long seminar on my work** as part of the "Teaching Staff Lunch" series of talks (on my work on formative eAssessment on my undergraduate course), School of Informatics, University of Edinburgh, December 2008.
- Attending the "Informatics Jamboree" event in the School of Informatics, University of Edinburgh, December 2008
- Presentation at the monthly FireGrid project meeting, University of Edinburgh, January 2009
- Presentation at the quarterly FireGrid project meeting, University of Edinburgh, January 2009
- **Presentation on my work as part of the "PEPA club" series of talks, School of Informatics, University of Edinburgh, January 2008.**
- **Presentation on my work prior to joining NESC at a NESC seminar, National e-Science Centre, January 2009**
- Presentation on my work at the monthly FireGrid project meeting, University of Edinburgh, February 2009
- **Presentation on my work since joining NESC at a NESC seminar, National e-Science Centre, February 2009**
- Attending a NanoCMOS project meeting, National e-Science Centre, February 2009 (2 days)
- Attending a OGSA-DQP meeting, National e-Science Centre, March 2009 (2 days)
- Attending a NESC/EPCC/Vienna ADMIRE meeting as part of the above OGSA-DQP event
- Presentation on my work at the Final FireGrid Progress Meeting, Buildings Research Establishment, Watford, UK, March 2009

- Attending the FireGrid Dissemination Workshop, Buildings Research Establishment, Watford, UK, March 2009
- Attending “The Influence and Impact of Web 2.0 on e-Research Infrastructure, Applications and Users”, National e-Science Centre, March 2009
- Attending the “Symposium on Provenance in Software Systems”, National e-Science Centre, March/April 2009
- Attending the “e-Science - The Changing Landscape” workshop, National e-Science Centre, April 2009
- Attending the “25th UK Performance Engineering Workshop”, University of Leeds, July 2009 (2 days)
- Attending “Interface 09: 1st International Symposium for Humanities and Technology” and giving a lightning talk (postgraduate-organised event), Uni. Southampton, July 2009
- Attending “IAM/LSL WebFest 09” (also attended by BBC Virtual Revolution producers), University of Southampton, 2009 (2 days)
- Organising and attending three EASIHE Advisory Board Meetings with members of University of Southampton senior management (July 2009, August 2009 and February 2010)
- **Organising and attending “Workshop with FEASST outcomes : Effective feedback and mobile technology”, University of Southampton, September 2009**
- **Organising and attending “Workshop on a Participatory Methodology for the Development of Design Patterns and Application to Formative e-Assessment”, University of Southampton, October 2009**
- Attending various JISC online events
- Attending UK e-Science AHM 2009, Monday 7th – Wednesday 9th December 2009, Oxford, UK
- Poster presentation of the work of the EASIHE project at JISC Innovation Exchange, 28-29 January 2010 at Aston University Lakeside Conference Centre in Birmingham
- **Presentation on my work, University of Warwick Department of Computer Science, February 2010**
- **Organising and attending Easihe Assembly: Workshop on Higher Learning Skills and Good Feedback, University of Southampton, 10th Feb. 2010**
- **To give presentation on my work at PMEOW workshop at 24th IEEE International Parallel and Distributed Processing Symposium, April 19-23, 2010, ATLANTA (Georgia) USA.**
- **To give presentation on my work at the IBM T.J. Watson Research centre, April 2010**
- **To give presentation on my work at The 10th IEEE International Conference on Advanced Learning Technologies, July 5-7, 2010, Sousse, Tunisia**
