

Welcome to ISIS Postgraduate Conference, March 2010
Mahesan Niranjana

Why do I supervise PhD students?

- Your side of the contract:

- Curiosity-driven research
- Critical thinking
- Thorough investigation
- Write in a way I can understand
- Present in a way an audience can understand

What takes my energy
these days
ST, DW, YN, AR, BF, SS

Today

- What is in it for me?

- There exists a nonzero probability that you will teach me something new

How do I Read Draft Dissertations of PhD Students ?
